STUDENT WALKING/PICK UP POLICY

The CWCTC permits students to walk home or be picked up by parents after dismissal. Students are only permitted to do so after a walking/pick up contract is filled out, signed by a parent/guardian, and turned in to the Main Office. A walking/pick up pass will be issued by the office and security will be informed. Student walkers are to report directly to their destination and are not to ride in vehicles with student drivers. During inclement weather students are to use their district provided transportation. This pass DOES NOT permit students to ride home with student drivers!
